Full Stack Software Development Student at Code Institute. HTML | CSS | JavaScript | Python | Bootstrap | Django | JQuery
Dublin, County Dublin, Ireland

Summary

Software Engineer in progress committed to working collaboratively with the company to overcome challenges as a cohesive team, I am a self-motivated and fast learner. I possess a genuine passion for engaging with new and complex problems, and I thrive on actively seeking solutions.

I believe in the importance of clear and effective communication, as well as knowledge sharing, to foster personal growth, enhance teamwork, and contribute to the overall success of the company.

A solid background in office administration and a strong proficiency in Microsoft Office

I possess excellent communication skills, both written and verbal, which have been instrumental in effectively liaising with clients, colleagues, and superiors throughout my professional journey. I pride myself on being a reliable team player who is dedicated to delivering exceptional results while adhering to strict deadlines.
